- Setup in Minutes
- Object Storage (S3) Available
- No Data transfer costs
- You set the backup schedule

VM \$10 PM
+
500GB \$30 PM

Volume and other pricing options available...

The industry best practice for protecting your data follows the "3:2:1" rule:

- 3 Have at least 3 copies of data
- 2 Store the copies on 2 different media
- 1 Keep 1 backup offsite

Visit digitalsense.com.au/60daytrial or email sales@digitalsense.com.au

*Offer valid until July 2019. Offer valid for current Veeam users only. Pricing excluding GST.
